Council Chairman Phil Mendelson announces a hearing before the Committee of the Whole on "FY24 DCPS School Budgets". The hearing will be held at **3:00 p.m. on Monday, February 13, 2023** via Zoom Video Conference.

The District of Columbia Public Schools (DCPS) will release the initial budget for each of its 116 schools ahead of the release of the Mayor's annual budget. For the past several years, schools have experienced budget instability, sometimes extreme, with little opportunity to acquire additional funding to cover all of the necessary services and supports for students. In December, the Council adopted the Schools First in Budgeting Amendment Act of 2022, which requires the Mayor and the District of Columbia Public Schools (DCPS) to increase individual school budgets using a specific budget calculation that begins with the school's budget for the previous year. The purpose of this hearing is to analyze the initial budgets for individual schools to ensure they adhere to the requirements of the law and hear from education stakeholders about how the proposed funding will impact student achievement and supports in the coming school year. **This hearing is not about the overall DCPS budget.**
